Freedom to Hear

(ACP)—Debating with Communists on campus should be a reciprocal affair, argues THE REDLANDS BULLDOG, University of Redlands, Redlands, California—

Last spring, in response to a request to have such a debate on campus—a request backed by the campus Young Republicans and various BULLDOG writers—the administration refused to allow a Communist to debate at UR.

Now the BULLDOG has received a letter from 36 students, telling of their experiences in Prague, Czechoslovakia, and raising the question of why they were allowed to speak at a Communist university and Communists were not allowed to even debate at ours.

There are several reasons why their question is quiet valid.

First, if there is any truth in what these "extremists" have to say, it is a grave error and contrary to the spirit of an academic institution to deny students the right to hear them.

Second, if the views of the extremists are untrue—a distinct possibility—UR students still are cheated by being denied the opportunity of hearing them out.

Besides, to label everything a Communist or a Bircher says as untrue smacks of self-appointed infallibility and forfeits to the opponents of democracy many otherwise valid concepts.

John Stuart Mill in his essay "On Liberty" emphasizes: "He who knows only his side of the case knows little of that. His reasons may be good, and no one may have been able to refute them. But he is equally unable to refute the reasons on the opposite side."

We urge, then, (1) because extremists may have something of worth to say, and (2) because we need to know and understand opposing viewpoints in order to defend our own convictions, that the administration alter its stand on extremist speakers.

Surely, if the totalitarian Communists are willing to let us challenge them in their own back-yard, we should not be afraid to have them challenge us at the UR.

'Mike'

Have you ever heard of a dog adopting an entire college? You might say that a little tramp dog wandered onto the campus of Northwest Missouri State and did just that. Somehow he came to be called "Mike" and soon became an energetic member of college life.

Mike gratefully accepted all the fringe benefits of free meals and lodging from whichever member of the faculty that he happened to follow home that particular evening. Mike became especially attached to M. B. Boase, secretary of the president of the College.

Mike never really studied too much, but he did attend classes. He enjoyed class and often occupied his favorite spot under the instructor's desk. Not only did Mike attend classes, but he was also quite athletically inclined. He never failed to show off at every home game with his green and white letter sweater with the big "M" written on it.

This all went to make up the happy life of a little grayish dog, until one day he decided to go along on a field trip with the agriculture class. The class was spraying trees with arsenate of lead. Mike decided to have a drink of this spray and promptly became sick. Even though a veterinarian was called, nothing could be done to help Mike and he died that same day.

Soon after this, a donation box was established with a little sign reading: "For the love of Mike." With these donations, the College buried Mike just to the east of the Administration building. A stone marker was also set up with the inscription:

MIKE

To the Memory of our dog
Died May 15, 1917

Even though Mike died nearly 46 years ago, he still lives on in the memory of all who share in this college life—the college life Mike loved so well.

As governing body of the dormitories, the council will aid in providing better living conditions for the men of the dormitories, according to Prexy Thompson.

Bearcat Sports Recap

Cat Tales...

— with Marv Bell

The 1962-63 sports scene at NWMSC is nearing its end, and since the Missourian will end publication with this issue, a sports recap of the year seems in order.

The year started wrong sportwise, as the Bearcat football team dropped all nine games. However, with the addition of several St. Benedict's stars, combined with a host of returning lettermen, prospects for next year seem bright. Coach Ivan Schottel will handle the grid reins next season, with Coach Earl Baker serving as head defensive mentor and overall assistant to Schottel. Coach Robert Gregory will again be the line coach, also assisting Schottel.

Coach Jerry Landwer, faced with a rebuilding problem, guided his grapplers to an outstanding 13-1 mark, taking second place in the Mo. Valley AAU meet.

Coach Landwer's initial year at NWMSC also proved to be a success otherwise. Besides developing a number of freshmen, Coach Landwer reports that several outstanding prep wrestlers have shown an interest in the Cat's program. Next season could well prove Bearcat wrestlers to be tops in the entire midwest.

Although basketball hopes were centered around an MIAA crown for '63, the Cat's 12-11 mark fell somewhat short of expectations. Nevertheless, Maryville whipped every conference team at least once, with the exception of Cape Girardeau.

Coach Marion Moss' cagers took second place in the MIAA Holiday Tournament, pulling several upsets along the course of the season. Next season, Coach Dick Buckridge, former 'Cat star, will direct the basketball fortunes, while Coach Moss leaves after five years, posting a 57-53 mark.

Competing with limited manpower and plenty of intestinal fortitude was the swimming team. Although lacking in overall numbers, the tankers posted an enviable 9-3 record. Dr. H. D. Peterson took over for Coach Guy Bensusan after the first semester and led his swimmers to a second place finish in the Interstate Diving-Swimming meet at Warrensburg.

Four sports are still in progress, so no final report can be made. However, all deserve mention for strong showings thus far.

Coach Burton Richey's baseballers are vastly improved over last year. Early in the season they matched 1962's victory mark and doubled the mark before season's completion.

'Cat tennis fortunes continued to soar as Dr. Peterson's netters posted several lopsided wins, with intentions of adding to their 50-5 record over the last six years. Dr. F. W. Grube assisted Dr. Peterson.

Both the track and golf squads have made favorable showings. Coach Ryland Milner's cindermen captured several dual meets, although their MIAA Indoor showing was subpar. Strength in the weight events proved to be the 'Cats' strong point.

Coach Robert Gregory directed the golf squad to several early victories. Several golfers displayed strong form and future promise.

Warrensburg Power Sinks 'Cats Twice

Northwest State College's Bearcats found their bats lacking in hits Friday afternoon when they lost a double header to the visiting Warrensburg Mules by counts of 10-2 and 8-2.

The twin losses evened MSC's season record to 8-8. Warrensburg is now 11-8.

In the opener Chipala of Warrensburg allowed only one safety, a bloop single in the fourth inning and walked but four, as the Mules won on seven hits and six Maryville miscues. Chipala fanned nine.

Absorbing the opening loss for Maryville was portsider Jim Sanders.

The lone Maryville hit was by catcher Jack Tipton.

Errors Hurt, But Bearcats Split Pair

Errors hurt the Northwest State College baseball team in the game last Wednesday as Rockhurst pounded out a 9-7 win, but the Bearcats battered the Hawks for a 10-1 victory in the nightcap at Kansas City.

Five errors in the first three innings combined with eight Rockhurst hits and two walks to knock Jim Sanders out of the game and give the Hawks an 8-4 lead. Steve Croley finished and held the Hawks in check.

NoMo rallied in the late innings. The 'Cats had two men on with one out in the sixth inning but were unable to score.

The second game was a different story as the Bearcats greeted the first of three Rockhurst pitchers with a 5-run outburst in the first inning.

Ron Brumley boosted his season pitching mark to 4-0 with a sharp 4-hit performance, striking out seven Hawks and giving up only two walks.

For the day, Sanders, Bob Crawford, Harris and Randy Wolcott each collected four hits, while Bernie Ricono lashed out three hits.

Ricono had a triple. Sanders, Wolcott, Crawford and Howard Rolfe each clouted doubles for the Bearcat cause.

Only extra base blows for Rockhurst during the two games were doubles by Sarcione and Callicott.

The team members were guests of the Kansas City Athletics Wednesday night for the A's game with Cleveland.

had more base runners, but in Coach Burton Richey's words, "We just couldn't seem to move them around."

The top three men in the Maryville batting order collectively garnered eight safeties but couldn't plate enough runs to make up for three errors and eight Warrensburg hits.

Sanders and Rolfe with three hits each, and Crawford with two singles led the Bearcat offensive. Jerry Carrico was the starter and loser for MSC.

Maryville travels to Liberty Tuesday for a double header with William Jewell. They split with the Cards at home early in the season.

Intramural Swimming Meet

Intramural swimming was held yesterday, May 7, under the direction of intramural director, Larry Hagan, and the swimming team members.

The Bearcat tankers handled all aspects of the meet, with Bob McCoy serving as head judge and referee. At press time, results had not been tabulated.

Peru Shut Out By Undefeated 'Cat Netters

Thursday the Bearcats dropped Peru, Neb., State 7-0 on the indoor courts.

Maryville's record in dual competition for the current campaign is 7-0-1. The MSC netters haven't suffered a dual match defeat since they lost to Mankato, Minn., State to open the 1961 season.

Next match for the charges of Dr. Frank Grube and Dr. H. D. Peterson is Tuesday against powerful Kirksville State on the Northwest State courts. Kirksville is undefeated and recently ran away with championship honors at the Kirksville Invitational in which Maryville finished a distant second.
